

Lyrics for Sunset Singing

HALLELUJAH

I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?

Well, it goes like this, the fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya

She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

But, baby, I've been here before
I've seen this room and I've walked this floor, you know
I used to live alone before I knew ya

And I've seen your flag on the marble arch
And love is not a victory march
It's a cold and it's a broken, Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Well, there was a time when you let me know
What's really going on below
But now you never show that to me, do you?

But remember, when I moved in you
And the holy dove was moving too
And every breath we drew was Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

But maybe there's a God above
All I've ever learned from love
Was how to shoot somebody who outdrew you?

And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Writer(s): Leonard Cohen, Justin Singh

HEY JUDE

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
For, well, you know that it's a fool who plays it cool
By making his world a little colder
Na-na-na-na-na, na-na-na-na

Hey Jude, don't let me down
You have found her, now go and get her (let it out and
let it in)
Remember (hey, Jude) to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you?
Hey Jude, you'll do
The movement you need is on your shoulder
Na-na-na-na-na, na-na-na-na, yeah

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin (oh)
Then you begin (let it out) to make it better
Better, better, better, better, better (let yourself go)

Yeah-yeah-yeah, yeah-yeah-yeah-yeah (na-na-na, na-
na-na)

Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Jude, Jude, Judy, Judy, Judy, Judy

Writer(s): Paul Mccartney, John Lennon

CAN YOU FEEL THE LOVE TONIGHT

There's a calm surrender
To the rush of day
When the heat of a rolling wind
Can be turned away
An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

And can you feel the love tonight? (Tonight)
It is where we are
It's enough for this wide-eyed wanderer
That we got this far

And can you feel the love tonight? (Tonight)
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn
There's a rhyme and reason
To the wild outdoors
When the heart of this star-crossed voyager
Beats in time with yours

And can you feel the love tonight? (Tonight)
It is where we are

It's enough for this wide-eyed wanderer
That we got this far

And can you feel the love tonight? (Tonight)
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

It's enough to make kings and vagabonds
Believe the very best

Writer(s): Elton John, Tim Rice

I CAN'T HELP FALLING IN LOVE

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay
Would it be a sin?
If I can't help
Falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life too
For I can't help
Falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life too
For I can't help
Falling in love with you

For I can't help
Falling in love with you

Writer(s): Luigi Creatore, Hugo E. Peretti, George David Weiss

DREAM A LITTLE DREAM OF ME

And now to sing this lovely ballad
Here it is
Mama Cass

Stars shinin' bright above you
Night breezes seem to whisper, "I love you"
Birds singin' in the sycamore tree
Dream a little dream of me

Say, "Nighty-night" and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fadin' but I linger on, dear
Still cravin' your kiss
I'm longin' to linger 'til dawn, dear
Just saying this

Sweet dreams 'til sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams, whatever they be
Dream a little dream of me

Stars fadin' but I linger on, dear
Still cravin' your kiss
I'm longing to linger 'til dawn, dear
Just saying this

Sweet dreams 'til sunbeams find you
Sweet dreams that leave all worries far behind you
But in your dreams, whatever they be
Dream a little dream of me

Writer(s): Gus Kahn, Fabian Andre, Wilbur Schwandt

WALKING ON SUNSHINE

I used to think maybe you loved me,
now, baby, I'm sure
And I just can't wait 'til the day
when you knock on my door
Now every time I go for the mailbox,
gotta hold myself down
'Cause I just can't wait 'til you write me
you're coming around

Now I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
And don't it feel good?
All right now
And don't it feel good?
Yeah

I used to think maybe you loved me,
now I know that it's true
And I don't wanna spend my whole life,
just a waiting for you
Now I don't want you back for the weekend,
not back for a day
I said, baby, I just want you back
and I want you to stay

Now I'm walking on sunshine, whoa
I'm walking on sunshine, whoa

I'm walking on sunshine, whoa
And don't it feel good?
All right now
And don't it feel good?
Yeah, oh, right now
And don't it feel good?

Walking on sunshine
Walking on sunshine
I feel alive, I feel the love, I feel the love the way I feel
I feel alive, I feel the love, I feel the love that's really real
I'm on sunshine, baby, oh
Oh, yeah, I'm on sunshine, baby

I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
And don't it feel good?
Ho yeah now
And don't it feel good?
Ho right now
And don't it feel good?

I'll say it, I'll say it, I'll say it again now
And don't it feel good?
Ho, walking right now
And don't it feel good?
I'll say it, I'll say it, I'll say it, I'll say it, I'll say it, I'll say it,
I'll say it good, ho
Ho, yeah now

And don't it feel good?

Now don't it, don't it, don't it, don't it, don't it
And don't it feel good?
Ho
Woo, yeah
And don't it feel good?

Writer(s): Kimberley Rew

MOON RIVER

Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're goin', I'm goin' your way

Two drifters, off to see the world
There's such a lot of world to see
We're after the same rainbow's end
Waitin' 'round the bend
My huckleberry friend
Moon river and me

Writer(s): Henry Mancini, Johnny Mercer

SOMEWHERE ONLY WE KNOW

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So, tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So, tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So, why don't we go somewhere only we know?
Somewhere only we know

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So, tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So, why don't we go?
So, why don't we go?

Ooh, ah
Oh

This could be the end of everything
So, why don't we go somewhere only we know?
Somewhere only we know
Somewhere only we know

Writer(s): Timothy James Rice-oxley, Richard David Hughes, Thomas Oliver Chaplin

THE SOUND OF SILENCE

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

In restless dreams, I walked alone
Narrow streets of cobblestone
'Neath the halo of a streetlamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

And in the naked light, I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never shared
No one dared
Disturb the sound of silence

"Fools", said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed in the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets are
written on the subway walls
In tenement halls"
And whispered in the sounds of silence

Writer(s): Paul Simon

THE SCIENTIST

Come up to meet you, tell ya I'm sorry
You don't know how lovely you are
I had to find you, tell ya I need you
Tell you I set you apart

Tell me your secrets and ask me your questions
Oh, let's go back to the start
Runnin' in circles, comin' up tails
Heads on a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start

I was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart

But tell me you love me, come back and haunt me
Oh, and I rush to the start
Runnin' in circles, chasin' our tails
Coming back as we are

Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard

I'm going back to the start

I: Aa-oooooooooh :I

MAKE YOU FEEL MY LOVE

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
Know there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the earth for you
To make you feel my love (2x)

Writer(s): Bob Dylan

SET FIRE TO THE RAIN

I let it fall, my heart
And as it fell, you also claim it
It was dark and I was over
Until you kissed my lips and you saved me

My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

But there's a side to you, that I never knew, never knew
All the things you'd say, they were never true, never
true
And the games you'd play, you would always win,
always win

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

Fireeee-e-e-e to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

Music...

When I lay with you, I could stay there

Close my eyes, feel you here forever
You and me together, nothing is better

'Cause there's a side to you that I never knew, never
knew,
All the things you'd say they were never true, never
true,
And the games you'd play, you would always win,
always win

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

I set fire to the rain
And I threw us into the flames,
Well, it felt something died,
'Cause I knew that that was the last time, the last time

Music...

Sometimes I wake up by the door,
That hurt you caused must be waiting for you,
Even now when we're already over,
I can't help myself from looking for you,

I set fireeee-e-e-e eeeeeeeeeee
Let it buuuuuuuurn-uh-uh-uh-uuurn

I set fire to the rain

Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

I set fire to the rain
And I threw us into the flames,
Well, I felt something die,
'Cause I knew that that was the last time, the last time

Ohoohooonoooo
Let it buurn
Oooohoooh
Let it buurn (Fireee-e-e-e)
Let it buurn (Fireee-e-e-e)
